6 March 2013

FROM THE PRINCIPAL

ASSEMBLY IS IN THE CHURCH THIS FRIDAY AT 9am

Late Mail: Swimming for Year 5’s for tomorrow Thursday has been CANCELLED

- To everyone who is contributing in any-way to the preparations for the school fete. It has been wonderful to see the way that people have been working together for the common purpose of our community
- To Chrissi O’Connell, Karen Holmes and all of the parents, teachers and school officers that have been involved in IEP meetings over the past few weeks.
- To our Year 7 students for leading us in our liturgy last week

Thank you to everyone for your co-operation and good-will last week during the flooding situations in Gympie. It made it a lot easier when we have up to date email contact details and the co-operation of all families.

Please let me know if there is any way in which we can support your family if you have been adversely affected by the events of the last few weeks.

I invite any families that have been seriously affected physically or financially by the floods to contact me. Brisbane Catholic Education has funds available to relieve the burden of school fees for those affected by the floods. St Patrick’s Parish also has some funds available to support families in other areas if needed.

FETE

Preparations are in full swing for our School Fete on Saturday, 16th March. This event is a great day and a good chance for us to gather as a community in a festive, happy way. The funds from this event are also well needed for our school. This year’s funds will predominantly be used for the upgrade of our school grounds. We would love to see as many of our school families, parishioners and community members present on this day. If you would like to help out on the day please contact Annette Fletcher on Annette.m.fletcher@bigpond.com or mobile 0418154273

VISIT FROM BISHOP BRIAN FINNIGAN:

Last Friday Bishop Brian Finnigan celebrated through liturgy with our school community. The focus of this liturgy was “Seeing the Goodness of God in Ourselves and Others. On Ash Wednesday, we began our Lenten journey. On Ash Wednesday we received a cross of ashes on our forehead to show that we accept the challenge to be attentive to the grace and goodness of God, which surrounds us. We reminded the students that this Lent we want to take the time to look and see the goodness of God which surrounds us. By looking and seeing all of the love we receive in life and sharing this love by reaching out to others we become the goodness of God for others. In the Faith and Mission section of the school news today there are some reflective questions that you might like to use with your children to help them focus on this important time.

STUDENT SAFETY

The Staff at Saint Patrick’s take very seriously their responsibilities to ensure the safety and well-being of the children entrusted to our care. Consequently, it is not appropriate for parents or other adults to approach any child other than their own child/ren in the school grounds and at school events at any time about any matters. (The exception is simply greeting a child known to you in a friendly manner). Parents should never approach or discipline a student at our school. If any parent or adult has any concern or an issue regarding any child the only acceptable course of action is to address the concern to a teacher, to Peter Campbell, Eric Ellers or to myself. You would all be aware of the procedures in place at schools and in other places concerning student protection. This directive concerning the well-being of the children falls into this category and we all therefore need to understand that it is a serious matter.
SURNAME ON CAR VISORS

One way of assisting the staff on duty at both Bligh Street and Church Street Pick-up areas is to place in big bold print your surname on the visor on the front passenger’s side. The regular staff on duty get to know most cars but if other staff are there in replacement it definitely helps speed up the process if we can see who’s car it is. Contact Amy at the office if you would like us to print you out a surname sign that you could use.

It is hard to believe we are in our sixth week of the school year. Our students have had a wonderful start to the school year and have all settled well into their classes despite the disruptions that the weather has thrown our way. Please do not hesitate to seek support from our school staff in supporting your children.

And a blessing for all our St Pat’s Families from our School Staff

“Wisdom of the years be yours
Joy of friendships be yours
Wealth of memories be yours
Fruit of endeavour be yours
Hope of heaven be yours
Peace of God be yours.”

— from Celtic Blessings compiled by Ray Simpson

Have a peaceful, productive week

Kathy Fuller
PRINCIPAL

Federal Government Review of School Funding

The Federal Government is currently reviewing the way schools in Australia are funded (the Gonski Review). As part of this process a new funding model has been proposed, and this is now the subject of discussions between the Federal government and State governments, and the Catholic and Independent schooling sectors.

Details of the proposed funding model at this stage remain unknown, and so the funding Catholic school students might receive under any new model is very unclear. However, with a Federal election due later this year, and no new funding arrangements yet confirmed for 2014 and beyond, school funding will continue to be an important issue for all political parties and for public debate.

In the lead-up to the review process, Catholic school authorities asked the Federal Government for additional funding to close the funding gap between Catholic schools and government schools. On average, Catholic school students currently receive 20 per cent less government funding than if they attended government schools.

Catholic schools strive to keep fees as low as possible so that more families can choose a Catholic school for their children. Even when school fees paid by parents are included, Catholic schools, on average, operate with only about 90 per cent of the income of government schools.

If Catholic school funding is frozen, reduced or fails to keep pace with government school funding, Catholic schools may be forced to increase their school fees. If fees go up, the extra cost may lead to parents taking their children out of Catholic schools, and in turn put further pressure on government schools and cost government more money. To make sure this does not happen, it is important that governments fund Catholic schools fairly into the future.

Catholic school authorities recognise the vital importance of this situation for families and will provide more information as it becomes available from the National Catholic Education Commission.

For further information on Catholic school funding please visit fundinginfo.catholic.edu.au or view a video on Catholic school funding.

Year 7 Leadership Liturgy

The Year 7 leaders of 2013 extend an invitation to all families to join us in the Church on Friday 8th March @ 2.00pm for our Leadership Liturgy.

FAITH & MISSION

As we move into the last four weeks of our Lenten Journey our MJR Focus will be

Look and See …
the goodness of God in us and others

On Ash Wednesday, we began our Lenten journey. On Ash Wednesday we received a cross of ashes on our forehead to show that we accept the challenge to look and see the grace and goodness of God, which surrounds us.

Have we been taking the time to look and see the goodness of God’s love that surrounds me in my life?

Have we been remembering to look and see the goodness in others?

Have we been remembering to share my blessings with others?

Over the next four weeks we really need to take the time to stop and reflect on all of the blessings / grace / goodness / love we receive every day,…

To be thankful and to share these with others

This will be a focus of prayer and pastoral time through the school over the next four weeks.

Term 1 Religious Education Units

An overview of the Religious Education Units being implemented across the school during Term 1 was published in the School Newsletter last week. Over the next few weeks I will elaborate on these units, giving more detail as to what is involved in each unit. If you have any questions about the
content of the unit of work your child is engaged in please feel free to contact your class teacher or myself.

Prep Early Learning Areas: Religious Education

Who is Jesus

Through participation in a range of activities the children will be provided with opportunities to explore the person of Jesus helping them to understand who Jesus is and the connection between Christians and how he influences their lives. They will explore, learn and use new religious vocabulary to make meaning by reflecting on stories about Jesus and his life.

Year 1 Scripture Stories and Messages

Early Learning Areas: Religious Education

The children will have the opportunity to explore, interpret and experiment with spoken, written, visual, audio and multi-modal religious texts to expand their understanding of Jesus and their religious understanding in general.

Project Compassion 2013

Visit the Caritas website: www.caritas.org.au

Please remember the Project Compassion Money Boxes that went home with each family at the start of Lent. Catholic schools traditionally make a significant commitment to supporting Project Compassion. Whilst we need to be very conscious of the significant needs of many in our own communities in Queensland, who have experienced significant loss and suffering as a result of floods, could I please encourage children and families to think of ways in which they can continue to support Project Compassion. Project Compassion helps to fight poverty and injustice around the world so even the smallest contribution added together can make a significant difference. Often when we hold fundraising activities, such as casual dress days, the children make a contribution in return for receiving something. With Project Compassion, ideally we would like to encourage the children to think about little things that they can go without and then contribute the money they would otherwise have spent to their Project Compassion Box, for example: … a packet of chips; an ice block; a drink … have tap water instead of a soft drink or bottled water and put the money in the Project Compassion Box.

Some practical ideas as we continue our Lenten Journey:

Wednesday: Put 10 cents in your Project Compassion Box for every year of your life.

Thursday: The featured countries for Project Compassion this year are Mozambique; Bolivia; Bangladesh; Cambodia, Australia and Papua New Guinea and their indigenous population. Can you find out information about these countries in the school or council library?

Friday: International Women’s Day: Read Psalm 127:3. Pray for all expectant mothers, that they will have the medical care and attention needed.

Sunday: Many Cambodian’s live on less than $2 per day. Can you find out the percentage? Put $2 in your box today.

Monday: What can I share with Project Compassion today? Drink tap water instead of buying a soft drink; juice or bottled water and put the money you save in your box.

Tuesday: Around 30% of the Bolivian population lives on less than $2 a day! What is one thing you eat or use everyday

Lord, We thank you for the gifts you have given us and the people who help us live our lives to the full. During this Lenten season we ask you to help us commit our hearts and minds to opening the doors to justice for the poor. We make this prayer though Jesus Christ our Lord, Amen.

I hope you have an enjoyable week at St Patrick’s and please feel free to approach me if you need more information about any of these subjects mentioned in the newsletter.

Peter Campbell
Assistant Principal

APA & SPORT NEWS

Volunteer Register

As a school we encourage parents and family members to volunteer to assist in many ways in the classroom and around the school. Please be aware that all volunteers need to complete required documentation and to be registered in the Volunteer Register. This paperwork can be collected from the Office and only needs to be completed once during your time here at St Patrick’s. Volunteers are requested to sign the Volunteer Register at the beginning and end of each period you are volunteering at the school. These registers are available in the classroom, the office, the tuckshop, and the library.

If you are not already registered as a volunteer you are invited to collect a Volunteer Pack from the office.
School Uniforms – A friendly reminder

Our School Uniform is a visual symbol, to the people in our community, of who we are and where we come from.

We encourage all students to wear their uniform correctly and take pride in their appearance. We also ask parents to be supportive of our uniform policy in the way children are dressed for school each day.

Please make sure all items are clearly named, especially hats. However, children are asked not to write their names all over their hats as this can look very messy. If your child is unable to wear full school uniform, for whatever reason, we would appreciate a note to their classroom teacher to explain.

One of the main areas where there is sometimes a little confusion is socks and shoes. Socks should comfortably cover your child’s ankles and be all white. Ankle socks which only just protrude above the shoe line are not acceptable. Shoes are also meant to be plain black polished shoes or black joggers. All other types of shoes are not acceptable.

Interschool Sport Gala Day

The Gala Day has been moved from Friday 8th March to Monday 11th March. Your child will need a hat, water bottle and sunscreen for the day. They will also need to bring their own lunch and snack. Most sports are played at the One Mile Ovals. Children in Yrs 4 and 5 will be involved in T-Ball or Kanga Cricket and Yrs 6 and 7 will be playing volleyball, softball or conventional cricket.

Inter-House Swimming Carnival

Our swimming carnival for Yrs 4 – 7 will take place at Memorial Pool on Friday March 22. The children leave school in house team groups at 9am and walk to the pool for a 9:30am start. The carnival runs for most of the day and we generally walk back into the school grounds just before 3pm that afternoon. When not participating, the children are expected to sit in the grandstand with their house team cheering on the competitors.

All children in Yrs 4 – 7 are expected to attend the carnival and participate in at least two events. Children are placed in heats where they will race against other students of a similar ability. Students in Year 3 who are turning 9 this year should already have received a letter inviting them to the carnival.

More details next week!

Zone Sports Trials

Over the next few weeks trials to select Gympie Zone teams to participate at Wide Bay trials will continue. These trials are to select U12 Gympie Zone representative teams and as such, only students with a realistic chance of selection are asked to attend. Otherwise, the number of students attending becomes very difficult to manage and it makes the job of selecting a team far more challenging.

Upcoming trials with permission notes ready to download or collect from Office

| Boys/Girls Tennis | Fri 15 March (forms must be to us by 9am Fri 8th Mar) |

Boys/Girls Soccer Fri 15 March (forms must be to us by 9am Fri 8th Mar)

Hockey Fri 15 March (forms must be to us by 9am Fri 8th Mar)

Rugby League (U11 & U12) Fri 15 March (forms must be to us by 9am Fri 8th Mar)

Upcoming trials with permission notes still to come

| Girls Rugby League | 12 July |

Boys Cricket 5/8/14 Aug

Girls Cricket 14 Aug

Students must nominate to attend trials. Students who have not nominated via a returned permission note will not be allowed to attend the trials. This is a Gympie Zone rule which applies to all schools, not just St Pat’s.

U12 Rugby League, Boys/Girls Soccer, Boys/Girls Hockey and Boys/Girls Tennis all participate in Wide Bay trials in Hervey Bay at the same time and as such students can only participate in one of these sports.

Any students who make a Gympie Zone team must collect a Project Consent Form (ED QLD media release form) from the Office. We hold onto these forms when they are completed and they only need to be filled in once while you are enrolled here at St Patrick’s.

ICAS 2013 (International Competition & Assessment for Schools)

Each year the school provides students with the opportunity to participate in academic competitions in a number of areas. It is important to note that these are competitions, designed to challenge even the brightest of students. While we encourage students to participate, we also advise parents to think carefully about whether ICAS is appropriate for their child. Further information can be found on the attached information/permission note. If you decide you would like your child to take part please return the permission note, with money, to the Office by Friday March 8.

AASC – Golf Skills

These activities commenced on Tuesday 19th February and will continue for 6 weeks. Tuesday for Prep – 3 and Thursday for Years 4 -7. Only those students who are a part of the AASC program are supervised on these days so we encourage people to make other arrangements for siblings who are not taking part. Parents are also asked to collect students involved in person at the end of the session so that the staff involved knows the children have definitely been collected.

Celebration of Success – A reminder

Each week we will once again be having a “Celebration of Success” page in both the parent update and school newsletter. We have so many students achieving success in and out of school it is sometimes easy to overlook acknowledging these successes publicly. We need your help with this and encourage you to send in information and photos
of your children participating in activities where they achieve success. Success is not all about being the best or winning; it is about setting and achieving goals, having a go and participating fully in life. Success means accomplishing something you set out to do.

Children will also be acknowledged at Assembly and the pages will be displayed on the notice board near the tuckshop. Please email your contributions to our Celebration of Success pages to me at eellems@bne.catholic.edu.au.

**Gympie Junior Touch Sign On**

You are able to sign on for Gympie Junior Touch every Wednesday afternoon at 4pm at the Gympie Touch Fields. For more information check out the website: [www.gympietouch.com](http://www.gympietouch.com) or email Kent Turnbull at gympietouch@gmail.com

**Celebrating Our Heritage**

Thank you to those people who took the time to complete our survey – we had a pleasing number of responses. The next step is to examine this data in more detail and we will let you know the results, and our response to those in the near future.

**Cyber Safety Week**

Young people today are immersed in digital technologies. They use the internet and mobile phones to socialise, study, exchange ideas and play. While online activity has many benefits, there are also risks.

To help our children stay safe online, we will be hosting a Cybersmart Outreach — Internet Safety Awareness presentation on **Monday June 3**. Designed for parents, teachers and students, this presentation is provided by the Australian Communications and Media Authority (the ACMA) as part of a national program of cybersmart initiatives.

The presentation is conducted by an ACMA Cybersmart trainer and is free of charge. We will have 3 sessions on the day:

- 2.00pm-3.00pm – Year 5 and 6
- 3.30pm Staff Presentation
- 5.30pm Parent Presentation

These presentations will mark the start of Cyber Safety Week for us where we will conduct a range of lessons across the whole school community aimed at cyber safety.

More details closer to the event but please mark this in your calendar.

Best wishes to you and your family

*Eric Eellems*

*APA and Sport’s Coordinator*

---

**MUSIC NEWS**

Thank you to all our choir students who are coming to rehearsals on time and full of enthusiasm. Permission notes for both our choirs were given out to students who attended rehearsals last week. Permission notes need to be returned by this Thursday.

**Vocal Band**: Rehearsals are on Tuesdays at second break in the Music Room.

**Choral Harmony Group**: Rehearsals are on Mondays from 1pm – 1:45pm in the Church.

*Kait Searles*

*Music Teacher*

---

**LIBRARY NEWS**

A reminder that all book club orders are due back to the office by Tuesday 12th March. No late orders can be accepted.

Thank you

---

**SCHOOL NEWS**
