

SUCCESSFUL LEARNERS in the early years at St Patrick's will make a great start to their school journey by:

- ✓ Being willing to have a go and do their best.
- ✓ Being active listeners, asking questions and joining in.
- ✓ Working collaboratively with others.
- ✓ Asking for help when it is needed and being open to feedback.
- ✓ Using what they know to solve problems.
- ✓ Being willing to make mistakes, learn from them and keep trying.
