FROM THE PRINCIPAL

Resilience is defined by Wikipedia as an individual’s ability to adapt successfully to life tasks in the face of social disadvantage or highly adverse conditions. It is one’s ability to ‘bounce back’ from a negative experience and function competently.

Resilience is not a rare ability. Nor is it a character trait. In reality, it is found in the average individual and it can be learned and developed by virtually anyone.

As parents and teachers, we want to build resilience in our children. However, we learn resilience from adversity, just as we learn most about riding a bike from falling off it.

Resilience is built when we allow children to suffer the small injustices and misfortunes of life rather than saving them or protecting them. When we suggest and support ways that they can save themselves, we show confidence in their ability to bounce back.

An important part of children’s growth involves learning how to cope with the common fears of childhood. As children learn to manage their emotions and overcome everyday fears, their confidence grows for taking on new challenges. Parents, carers and teaching staff can play a critical role in helping children develop resilience.

Model helpful coping

Being a good model involves showing children how to cope with emotions (not just telling them) eg, self-talk in difficult situations —“This looks a bit scary but I’ll give it a go.”

Discourage Avoidance

Sometimes when children say they feel sick, they are describing feeling anxious. It is important that children do not avoid school attendance, homework etc.

Practise coping skills

Practise using coping skills for difficult situations. Help children talk about problems and come up with possible solutions.

RELIGIOUS LIFE OF THE SCHOOL AND OTHER ADMINISTRATION MATTERS

Photos from our liturgy to celebrate the start of our school year

Religious Education

Religious Education is a Key Learning Area at St Patrick’s. The Religious Education Curriculum (Archdiocese of Brisbane) being implemented at St Patrick’s, is organised across four strands. The four
strands of the *Religion Curriculum* are Sacred Texts, Beliefs, Church and Christian Life.

The following provides information about the Religious Education topics all year levels are focussing on this term. If you would like more information about any of the topics being covered, please feel free to approach your child’s teacher or me.

**Prep**

*How do we live in our school community?*

How do we live in our school community? What is our school community like? What do we do together in our classroom? In our school? Rules, covenants, prayer (sign of the cross), Church building, celebrations and rituals.

**Year 1**

*How do we live and love happily and safely in community?*

We are made in the image and likeness of God. Process to develop Class covenants. We have choices and freedom to choose right or wrong. Why do we have school rules, what are they based on? Our Catholic school is founded on the message of Jesus.

**Year 2**

*How can we create a world of peace?*

Loving relationships with God, others and creation. Recognise choices that harm loving relationships and investigate ways believers seek to heal relationships through reconciliation. Sacrament of Penance as celebrated in the Church, Act of Contrition and Penitential Act.

**Year 3**

*How can we live a ‘good’ life?*

What does scripture say about making good decisions? Explore the Decalogue and identify the audience and purpose of the Beatitudes. Make connections between the messages of the Decalogue and Jesus’ teaching in the Beatitudes, and how the scriptures can be used as a guide for making decisions. How is this message of Jesus, to respect people and take responsibility for our actions, reflected in the work of the Church and school e.g: social justice projects like Caritas and St Vincent de Paul.

**Year 4**

*What does it mean to be community?*

---

**Year 5**

*How do the teachings of Jesus inform and guide us today?*

Believers live according to Jesus’ new commandment of charity (love). Use the Decalogue and Beatitudes as guiding scripture to make and act upon informed moral choices. Develop and explain a personal choice or action that demonstrates how Jesus’ teaching can apply to the world today eg: linked to school and classroom rules, actions in the local community.

**Year 6**

*What does it mean to be a prophet in my world?*

Key messages and understanding of the social, cultural and historical contexts of the Old Testament prophets. Biblical tools, such as timelines, atlases, and commentaries help the reader understand Old Testament texts.

Life Education Mobile Classroom

On Monday the Life Education mobile classroom will commence its annual visit to St Patrick’s. Life Education was established to teach children ways to keep their bodies healthy and to equip them with the skills to make appropriate choices and stay safe in potentially unsafe situations. Life Education is a non-profit organisation, which operates in close partnership with their schools and local communities. The program is professionally designed and is based on extensive research. Sessions are presented by Educators who are fully qualified teachers and have undergone additional training in the area of drug education.

Life Education Programs

The Early Primary programs focus on:

Basic physiology; Importance of nutritious food, water, fresh clean air, exercise and sleep to maintain health; Sun protection; Safe and unsafe use of medicines; Identifying potentially unsafe aspects of the environment and ways to safely deal with them (eg: finding a syringe in the playground).

Middle School programs focus on:

Basic physiology; Safe and unsafe use of medicines; Bullying and communication skills; Cyber safety; Making informed choices.

The Upper Primary programs focus on:

The effects of non-medical legal drugs (eg. nicotine and alcohol); How children can effectively deal with influences to join in unsafe situations; Dealing with potentially harmful substances; Making informed choices.

Should you wish to find out more about the Life Education Program, we encourage you to attend a free Visitor’s Information Session in the Life Education mobile classroom on Monday 13th February at 2:45pm - 3:00pm.

If you wish to attend the parent and visitor’s session, please fill out the form below.

If you wish to attend the parent and visitor’s session, please tear off the form below and return it to the school.

**SCHOOL NEWS**

Read Aloud. Change the World.

Every year World Read Aloud Day calls global attention to the importance of reading aloud and sharing stories.

At St Patrick’s Primary School we will celebrate

**World Read Aloud Day is Thursday, February 16, 2017.**

World Read Aloud Day motivates children, teens, and adults worldwide to celebrate the power of words and creates a community of readers taking action to show the world that the right to literacy belongs to all people.

Millions of people in more than 100 countries celebrate World Read Aloud Day.

Have a great week!

**REMARKER: Year 6 Marimba Band**

As an extension of our Year 6 Music Program this year, students from Year 6 are invited to be part of our Marimba Percussion Band commencing in mid Term 1. The Marimba and Percussion Band will rehearse once a week during a scheduled break time and continue for the whole of the school year. Students who wish to become a member of our Marimba and Percussion Band should meet the following criteria:

- Average or above average ability in music
- Demonstrate a love of music and enthusiasm to perform
- Willingness to work as a team, follow directions and accomplish set tasks.
- Commit to one weekly lunchtime practice for the whole of the 2017 school year.

If you feel that your child meets the above criteria and is interested in becoming a member, please email me your child’s expression of interest within the next week. Once an expression of interest is received, permission notes will then be sent home with those students who meet the above criteria.

From Your WHSO

How to Identify Head lice:

- Head lice can be anything from greyish white to white in colour.
- They are the size of a sesame seed.
- Nits are the eggs, yellowish white in colour and are found on the hair shaft if you look you will find that they are generally at the nape of the neck or behind the ears.
- Adult lice may be found anywhere on the head.
- Red bite marks or scratch marks are often seen on the back of the neck or again behind the ears.
- The eggs are sometimes mistaken for dandruff.
- It can sometimes take several weeks exposure to the lice before itching develops.

REMEMBER:

- Head lice has nothing to do with hygiene.
- Head lice don’t like short and plaited hair.
- Lice don’t hop, jump or fly.
- Don’t share hats, head bands, brushes or combs.

CONTROL:

Detect

a. Check the back of the neck and behind the ears.
b. Using a metal comb and a combing solution (hair conditioner) to detect and remove head lice and their eggs.

Treat

a. There are many head lice treatments on the market, both chemical and natural. If your child has had head lice before, use a different solution for a reinfection.

Prevent

a. You must comb the hair with a fine tooth metal comb after treatment to remove the eggs.
b. There are now solutions available to help remove the eggs from the hair shaft after treatment.

REPEAT

a. Repeat the process after 7 days to effectively kill the cycle (This is vitally important).
P & F NEWS

The first P&F meeting for this year will be held on Tuesday 14th February at 6:30pm in the staffroom located in the school office. We hope to see you there!

If you are unable to attend but have a matter you would like to be considered, please feel free to contact me before our meeting. Items on our agenda so far include our proposed fundraising calendar for the year, grant applications and items on our wish list for 2017.

Don’t forget to join our Facebook group: St Patrick’s Primary Gympie P and F, to keep up-to-date with our news and events.

https://www.facebook.com/groups/130319910449017/

Please note our Facebook page is a closed group and new members will only be added if we are able to confirm your identity as a school parent for security reasons. If your name on Facebook differs from the name recorded with the school office, a further email to myself or the school office will be required before membership is confirmed.

Transition from St Pat’s Primary to Secondary

Last week Mrs Geaney extended an invitation to me to speak with our Primary School parents at the Information Evening. In this our Prep - Year 12 educational precinct, as principals we often discuss ways to support a fluid and stress free transition for our students and families. Moreover, we look for opportunities to engage in learning across the Parish.

It was great meeting some of you for the first time and answering questions relating to the College. Whilst Year 5 and Year 6 families took enrolment packs, others may be interested in attending our Open Day on Tuesday, 9 May 3:30pm - 6pm, with a parent meeting for Year 7, 2018 beginning at 6pm.

Once an enrolment application is received, the Primary student attends an enrolment interview with me and their parents/carers. This interview is not about ‘being good enough to be accepted’ but rather it is about developing a relationship with the family that creates a smooth transition for all.

Enrolment applications for 2018 and 2019 are now being accepted.

Karen Harrison
Principal
St Patrick’s College
Gympie

COMMUNITY NEWS

A message from St Patrick’s Parish - Sacramental Program 2017

On Tuesday 21st February a workshop on Christian Initiation for Children (Sacraments) will be held in the Parish Centre for anyone interested in learning of the new format for receiving the Sacraments and the way in which our Diocese assists families and our parish in continuing their faith through the Sacraments. There will be no pressure to join the Sacramental Team, it is just an opportunity to know more about this area of our Parish ministry. We will have a cuppa before we start at 10.00am.

We currently have a very small Parish Sacramental Team and would like parishioners, parents or teachers to consider joining us. The commitment is not a lengthy one and resources are provided to us through the Diocese. If you are even slightly interested please contact Narelle Gruar - 54823214 / 0417821269 or the Parish Office – 54821213 for more information. We find the program a great way to meet others through sharing our faith, and experience joy in continuing the faith education of not only the children of our parish, but of their parents and our own journey.

This year the Sacrament of Confirmation will be offered to children turning 8 (Year 3), or older. This program will be held in Term 3 with Confirmation being on September 13. Year 3 children at St Pat’s Primary will receive a letter of invitation. For children older or at other schools, please contact the Parish Office – 54821213.

There may be some children who missed out on receiving the Sacrament of Eucharist last year and if this is the case please contact the Parish Office and leave your contact details. The
team will contact you to make some arrangement for this to happen.

Parish Office – 54821213
